TO: Minerals File

FROM: Tom Munson, Senior Reclamation Specialist *RM*

RE: Site Inspection, Sprungers Minerals, Cubical #2 Mine, S/023/017, Juab County, Utah

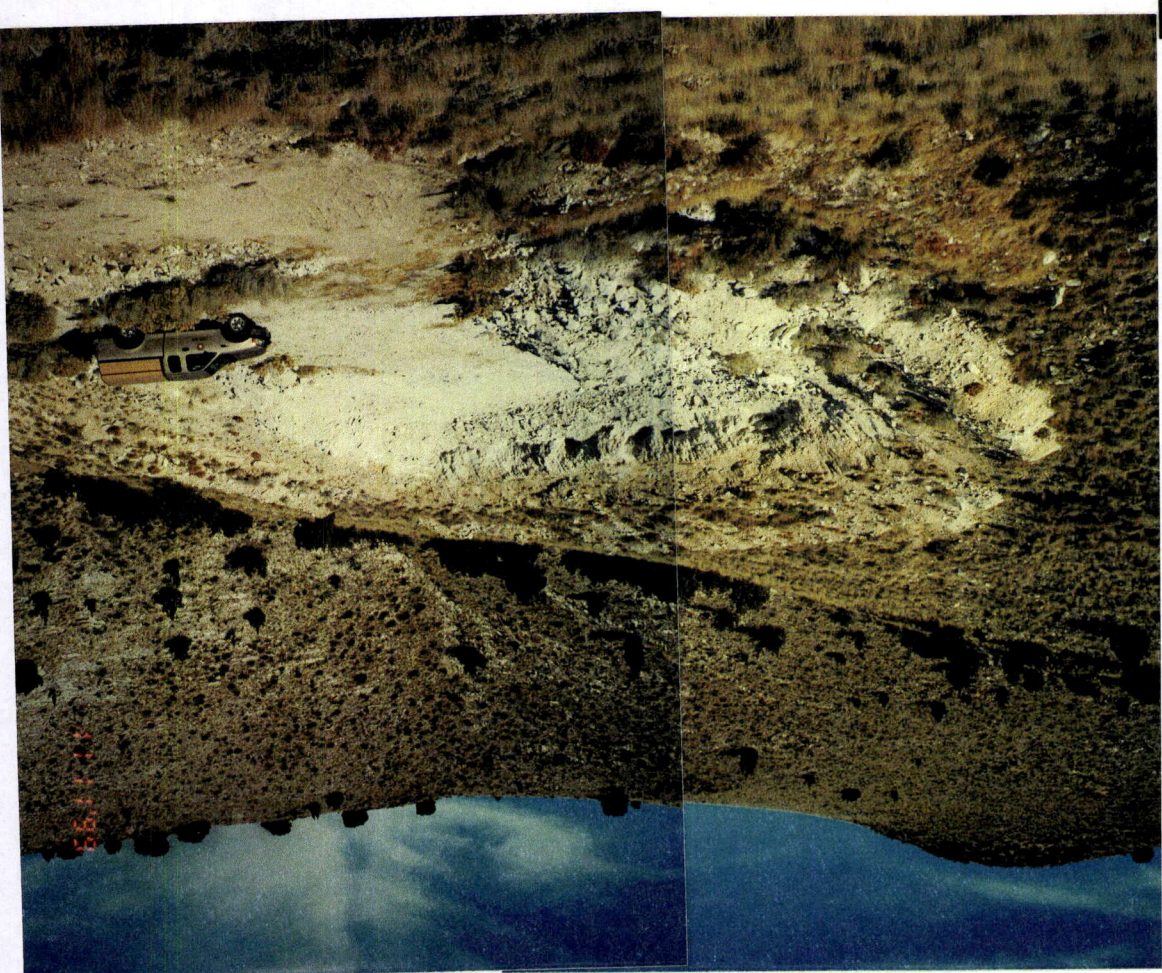

Date of Inspection: November 11, 1999
Time of Inspection: 10:30 a.m. - 11:00 a.m.
Conditions: sunny
Participants: Tom Munson, Wayne Hedberg, DOGM

Purpose of Inspection: To inspect the site while in the area

The first site we visited was Mike Sprunger's Cubical #1. It does not appear that there is any new disturbance at this site. There is about 1 ½ - 2 acres of disturbance. A small area was reclaimed on the east side of the property. There was a small highwall and some debris at the site.

NOTE TO FILE: This file was originally permitted as S/023/020 - but later combined into file S/023/017.
